

# *You Can Call Me Clover: A Dog Rescue Story* by Darcy Kate

## Book Club Discussion Guide

### Themes & Character Development

1. Despite difficult beginnings, both Clover and Logan find hope. What are some key turning points in the story that highlight this theme?
2. How does Clover's presence impact different characters' emotional journeys?
3. What does Logan learn about giving others, and himself, another chance?
4. How does Clover's journey reflect the theme of second chances?

### The Human-Animal Bond

1. Logan and Clover both struggle with finding where they belong. How does their bond help them grow and discover their sense of belonging?
2. What moments in the story best capture the deep connection between humans and dogs?
3. How do dogs communicate their emotions? How does that strengthen their bond with humans?
4. Have you had a pet that helped you through a difficult time?

### Storytelling & Perspective

5. The book is told from both Clover's and Logan's perspectives. How does this dual narration enhance the story?
6. How does Clover's voice as a rescue dog shape the reader's understanding of her experience?
7. Would the book feel different if it were told from only one character's perspective?
8. If you could add another character's perspective to the story, whose would it be and why?

### Animal Rescue & Advocacy

9. How does the story encourage readers to think about dog rescue, fostering, and adoption?
10. What are some misconceptions about rescue dogs that the book challenges?
11. How can storytelling be used to inspire real-world change for rescue animals?
12. What are some ways readers can take action after reading this book?
